

PRIVESS

PRIVESS

Precision Wellness. Tailored to You.

Brand Origin/ Why We Exist

Current Health Industry
Countless options, but difficult
to find what truly fits you.

The Problem
Most supplements are one-size-
fits-all, with limited effectiveness.

Our Belief
Health has no standard formula
—only the solution tailored for
you.

PRIVESS

PRIVESS

PRIVESS

At PRIVESS, we believe that the best wellness solutions are never one-size-fits-all — they must be tailored to you.

Every individual has unique needs, lifestyles, and goals, and that's why we are dedicated to providing precision nutrition designed to fit seamlessly into your life.

Rather than offering generic supplements, we commit to curating and formulating products that truly match your personal health requirements.

Because only when wellness is personalized can it become a natural and sustainable part of your everyday life.

PRIVESS — Precision Wellness. Tailored to You.

BRAND STORY

PRIVESS | 2025

BRAND PHILOSOPHY

PRECISION WELLNESS

Not a “one-size-fits-all” solution

TAILORED APPROACH

Designed around your examination, body, and lifestyle

SCIENTIFIC-DRIVEN

Customized formulas based on data and research

“

Everyone is unique, and so should be your wellness.

”

OUR PATENTED INGREDIENTS

NEUMENTIX™

Neumentix is a naturally sourced ingredient derived from spearmint. Rich in polyphenols, especially rosmarinic acid, it is scientifically shown to support brain health. Neumentix helps improve focus, memory, and cognitive performance, while also offering antioxidant benefits that may slow down age-related cognitive decline. It is ideal for students, professionals, and anyone seeking to maintain mental sharpness.

PRIVESS

OUR PATENTED INGREDIENTS

AQUAMIN®

Aquamin® is a natural multi-mineral complex derived from red marine algae found in the North Atlantic Ocean. It is rich in calcium, magnesium, and more than 70 trace minerals. Known for its high bioavailability and gentle absorption, Aquamin® is widely used to support bone health, joint health, digestive wellness, and overall nutrition. Clinical studies demonstrate its effectiveness in improving bone density, enhancing joint mobility, and maintaining gastrointestinal health.

PRIVESS

OUR PATENTED INGREDIENTS

FLORAGLO® LUTEIN

FloraGLO® Lutein is the world's first clinically proven, patented free-form lutein brand, extracted from marigold flowers. It has the same free-form structure naturally found in the retina, ensuring superior absorption and safety. Supported by extensive clinical research, FloraGLO® has been shown to effectively filter harmful blue light, protect macular health, enhance visual performance, and also support brain and skin health. It is one of the most trusted and widely used lutein brands worldwide.

PRIVESS

OUR PATENTED INGREDIENTS

BB536

BB536, developed by Morinaga Milk Industry (Japan), is a clinically proven strain of Bifidobacterium longum BB536. It is one of the world's most researched and well-established probiotic strains.

Scientific studies have shown that BB536 can:

- Improve gut microbiota balance
- Relieve constipation and diarrhea
- Support immune system function
- Suppress harmful bacteria
- Alleviate allergy and inflammatory responses

With over 50 years of research and application, BB536 is widely used in infant formulas, dietary supplements, and functional foods, and is recognized globally for its safety and efficacy.

PRIVESS

OUR PATENTED INGREDIENTS

LIPOWHEAT®

Lipowheat® is a patented ingredient derived from wheat germ, rich in natural phytoceramides. Developed by French researchers, it helps nourish the skin from within, restore the skin barrier, improve hydration, and reduce fine lines and dryness. Clinical studies have shown that oral supplementation with Lipowheat® enhances skin moisture and elasticity, promoting a youthful and radiant appearance.

PRIVESS

OUR PATENTED INGREDIENTS

PUREDIA® SEABERRY™

Puredia® SeaBerry™ is an organic sea buckthorn whole-fruit extract harvested from the pristine Tibetan Plateau. Known as a “vitamin treasure chest,” it contains over 190 bioactive nutrients, including Omega-3, 6, 7, 9 fatty acids, vitamin C, vitamin E, polyphenols, and flavonoids. Particularly rich in the rare Omega-7, SeaBerry™ supports skin hydration, mucosal health, cardiovascular function, immune system strength, and metabolic balance.

PRIVESS

OUR PATENTED INGREDIENTS

KSM-66® ASHWAGANDHA

KSM-66® Ashwagandha is a patented root extract of *Withania somnifera* (Ashwagandha), obtained through an innovative "green chemistry" process without alcohol or synthetic solvents, preserving its potent natural compounds.

Its benefits include:

- Alleviating stress and anxiety, improving sleep quality and emotional balance
- Enhancing cognitive function, attention, and memory
- Supporting immune function, anti-inflammatory, and antioxidant responses
- Promoting male reproductive health (testosterone levels, fertility), cardiovascular function, and endocrine balance.

PRIVESS

OUR PATENTED INGREDIENTS

TURMACIN®

Turmacin® is a patented, water-soluble extract from *Curcuma longa* (turmeric), developed by Natural Remedies, India. Unlike conventional curcumin-based extracts, Turmacin® is standardized to Turmerosaccharides™, turmeric polysaccharides with unique bioactivity.

Clinical studies have shown that Turmacin® supports joint mobility, relieves occasional discomfort, and enhances post-exercise recovery, while offering excellent safety and tolerability.

PRIVESS

OUR PATENTED INGREDIENTS

CURCUMIN C3 COMPLEX®

Curcumin C3 Complex® is the world's most researched and trusted turmeric extract, standardized to contain three major curcuminoids – Curcumin, Demethoxycurcumin, and Bisdemethoxycurcumin. Backed by over 100 clinical and scientific studies, it is celebrated as the “Golden Anti-Inflammatory.” Renowned for its high purity and bioactivity, this patented extract supports antioxidant defense, joint flexibility, cardiovascular wellness, and cognitive health, making it one of the most recognized natural health ingredients worldwide.

PRIVESS

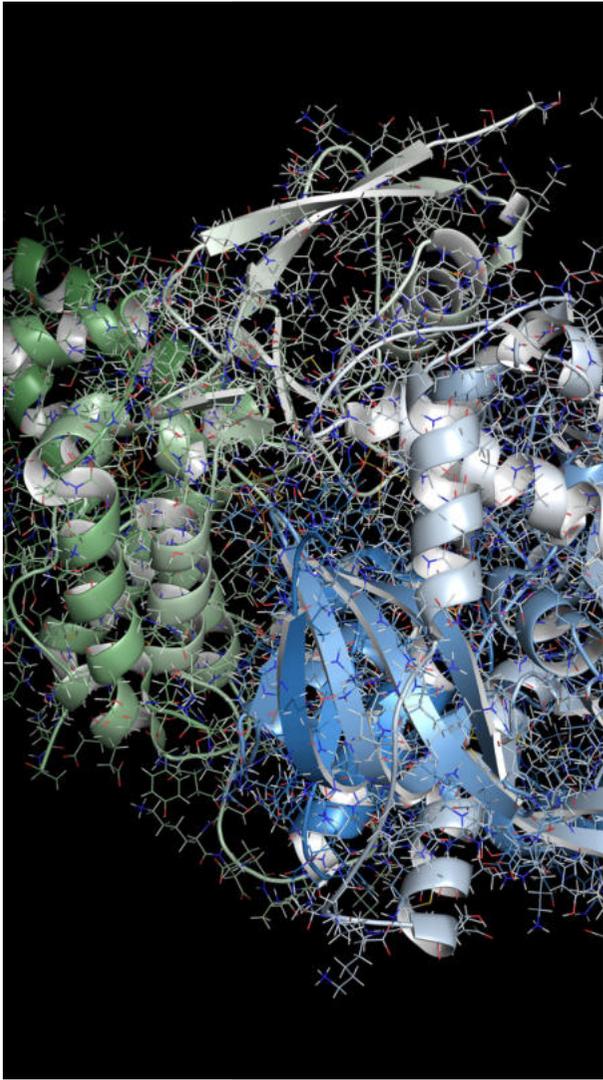

OUR PATENTED INGREDIENTS

HEPURE®

Hepure® is an organic, patented formulation by Nexira, combining extracts of clove and immortelle harvested from the rocky, sun-drenched maquis of Corsica, France. Produced via gentle water-based extraction without carriers, Hepure® exhibits synergistic antioxidant activity and has been shown to enhance gene expression related to antioxidant defense in liver cells through a nutrigenomic mechanism. Its benefits may include supporting energy and vitality, reinforcing immune function, promoting digestive wellness, preserving skin beauty, and aiding detoxification and weight management.

PRIVESS

OUR PATENTED INGREDIENTS

PUREQQ®

PureQQ® is a highly purified form of Pyrroloquinoline Quinone (PQQ), developed and trademarked by Mitsubishi Gas Chemical (MGC) in Japan. PQQ is a naturally occurring redox cofactor found in foods such as soybeans, spinach, and green tea. Research has shown that PQQ exhibits strong antioxidant properties, supports mitochondrial biogenesis, and provides neuroprotective benefits. These effects contribute to improved energy metabolism, cognitive health, and overall wellness. Due to its high stability and purity, PureQQ® is widely used in dietary supplements and functional foods.

PRIVESS

OUR PATENTED INGREDIENTS

SLENDESTA®

Slendesta® is a natural weight management ingredient developed by Kemin, derived from a unique protein in potatoes called Proteinase Inhibitor II (PI2).

It works by stimulating the release of Cholecystokinin (CCK), a satiety hormone in the gut, which helps promote a feeling of fullness and reduce food intake.

Unlike many weight-loss ingredients, Slendesta® is safe, natural, and non-stimulant, making it suitable for use in dietary supplements, meal replacements, and functional foods.

PRIVESS

OUR PATENTED INGREDIENTS

PUREWAY-C®

PureWay-C® is a patented, advanced form of Vitamin C that is lipid-metabolite-based, enhancing the absorption, distribution, and retention of Vitamin C in the body. Compared to traditional Vitamin C (ascorbic acid), it has been clinically shown to offer faster absorption, better cellular uptake, and longer retention. This ensures stronger antioxidant protection, immune support, and collagen production.

PRIVESS

OUR PATENTED INGREDIENTS

BETAVIA® COMPLETE

BetaVia® Complete, developed by Kemin, is a patented immune-support ingredient sourced from *Euglena gracilis*, a form of algae. The fermentate contains over 50% 1,3-beta-glucan, along with proteins, essential fatty acids, vitamins, minerals, and carotenoids — making it a nutrient-dense whole-algae extract.

A randomized, double-blind clinical trial showed that supplementation with BetaVia® Complete resulted in approximately 70% fewer upper respiratory tract infection (URTI) symptoms, nearly four fewer sick days, and 10 fewer symptom days over 90 days compared to placebo.

PRIVESS

OUR PATENTED INGREDIENTS

ABG10+®

ABG10+® is a patented aged black garlic extract from Spain, standardized in natural S-allyl-L-cysteine (SAC) and other bioactive organosulfur compounds.

Through a unique aging process, it removes garlic odor while enhancing potency—completely additive-free. Clinically proven: just 250 mg daily may reduce blood pressure, support heart health, and deliver up to 10× higher antioxidant power.

PRIVESS

OUR PATENTED INGREDIENTS

BENEGUT®

Benegut® is a patented Perilla leaf extract rich in Vicenin-2 and rosmarinic acid.

Clinically proven: 300 mg daily relieves bloating, fullness, and burping within 90 minutes, with significant digestive comfort improvement in 4 weeks.

Certified Halal, Kosher, gluten-free, and vegetarian-friendly.

PRIVESS

OUR PATENTED INGREDIENTS

COLLAGEN- TRIPEP20™

Collagen-Tripep20™ is a hydrolyzed collagen tripeptide derived from freshwater fish skin. Clinical trials show that daily intake of 1,000 mg (50 mL) significantly improves skin hydration within 6 weeks.

CTP20 contains $\geq 20\%$ collagen tripeptides and $\geq 3.2\%$ Gly-Pro-Hyp (GPH), with an average molecular weight below 500 Da for rapid absorption. Preclinical studies show it stimulates IGF-1 and BMPs expression, promoting longitudinal bone growth in juvenile rat models

PRIVESS

OUR PATENTED INGREDIENTS

VENETRON®

VENETRON® is a natural extract from Apocynum venetum, traditionally used in Japan. It helps promote emotional balance, relieve stress and anxiety, and support healthy sleep. Backed by scientific research, VENETRON® offers a safe and gentle way to uplift mood and restore vitality.
